## Meet the Green Team

Eppy Green works with buyers and sellers. ## Your Dream Team

Please allow me to introduce myself to you. My name is **Jon Green** and I am in the business to make your home-selling venture a smooth, enjoyable transaction. I am part of "**The Green Team**" – we are real estate professionals who work together as a team to promote customer satisfaction.

I was a University professor for 25 years, instructing in a variety of courses such as statistics, psychology, and technology--an ideal background for marketing your home. Throughout my considerable experience with marketing, I have found this professional advantage helps me find buyers when others cannot.

My beautiful wife and I have two children and four incredible grandchildren. We have traveled and lived overseas in countries in Europe, Africa, and the Middle East. They were amazing experiences.

My wife, **Eppy**, is also part of "**The Green Team**". She has had 16 years of experience as a Realtor®. Throughout our life together we have accumulated the skills needed to be dedicated to 100% customer satisfaction. Having moved ourselves, both locally and internationally, we know the hassle it can be. We know how important it is that you have a dedicated Realtor® who is sensitive to your needs and fears and concerns.

Let me thank you for the opportunity to meet your real estate needs and assure you that you will receive the best service real estate has to offer. Thanks again.

## The Green Team's Satisfied Clients

"We truly are appreciative of your friendship and assistance in selling our home.

"We know that you and your husband spent a lot of time promoting our house through open houses and other means. You folks were always willing to drop what you were doing and talk, to explain all the pertinent information to us. Never at any time did we feel that you were too busy to speak to us or help us as we were from a long distance.

"Even as we were purchasing the house (this was before your husband was a part of the company), we appreciated your quiet and kind persistence on our behalf.

**Bruce and Rosalie Rasmussen**

"I am glad God brought you both to me so He could lead us to find the right person or person's to buy my home.

"Just wanted to thank you again for all your hard work in selling my house. It had been on the market for .... It just needed the right people to sell it and I am glad I finally was brought to you! Thank you again very much."

**John Haynes**

"Thank you so much for making the sale of our home so quick, easy, and worry free. We were nervous about putting the house on the market, and with it being our 1st home to sell, we were a little uncertain of what to expect. But you truly made it an exceptional experience for us. Everything went so smoothly, and we appreciate you being able to work around our schedule, especially considering we have 3 young boys. You kept us well informed through all of the steps, so we never felt confused about anything. We are very grateful for the kindness you have shown, your ethical attitude, and the hard work you put in to make it such a great experience for us. Thank you, Eppy!"

**Alan & Elizabeth Wilson**

"We just wanted to say, "Thank you," for all your help, advice, and encouragement during the couple months concerning our purchase of a house.... We're in, loving it, very busy and trying to get settled. Just wanted to say our appreciation."

**Dwayne & Cheri**

"Thank you so much for all you have done for us in the purchase of our house. It was so good to have you as our broker.

"We really appreciate your thinking of us on Sabbath to invite us over for Sabbath dinner. We had a delicious meal & good fellowship getting to know people from other parts of the world. It was nice to get to know your husband, Jon, & son's family as well.

"God bless you as you continue to serve Him in what you do."

**Amy, Dan, Carissa & Carina**

Dear, Dear Eppy!!!

How many times I was about to sit down and to sign a thank you card, but I don't think they make cards big enough where I could express how much grateful I am for your help to find my doll-house. I am so happy, I am in love with my house, my home. I consider myself so lucky to have you by my side. Thank you for being so kind, friendly and sweet. Thank you for being always so honest, professional and knowledgeable (I really needed that, as a first buyer I didn't know anything about real estate). I felt like close friend was next to me, because you would always watch for my interests. It was such a pleasure to know you, Eppy. Thank you so much for everything.
